**▶ ADJUSTABLE-LENGTH CABLE SEALS**

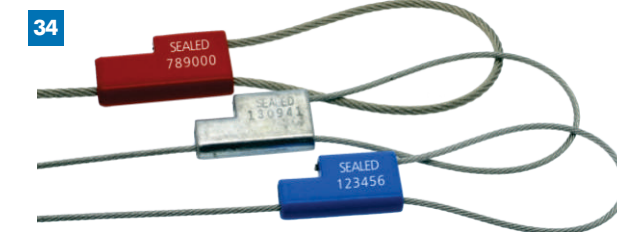

**CL-99 HIGH-SECURITY CABLE SEALS** — C-TPAT Models Available

**ANY LENGTH CABLES AVAILABLE!**

AC&M's CL-99 family of adjustable cable seals offer a selection of cable lengths and diameters to suit most requirements. Insert the cable into the consecutively numbered steel locking head and draw tight to cinch the cable. The user can trim excess and remove the single-use seal with a cable cutter.

- Custom cable lengths available
- Seals are consecutively numbered
- 1/16", 3/32", 1/8" diameters from stock
